

The Gorge Risers

LEFTIES, the tube
pinches from injustice

everywhere, but mostly
being branded traitor by

those who dodged themselves,
war, but counterfeited

Patriot when things cooled.
Add the sucker punch of ideal-

istic colleagues fleeing, or bab-
bling, when the cards get called.

RIGHTIES, who know all to be
lazy, and desirous of their money.
Drenching fury, finally, in this

best of possible worlds that
one still struggles! Only
refuge at the club...

though scans at lunch begin
to show some black and brown.

Integrity thereby runs down.
The Newest American Tragedy.
